

Our Coast, Our Waste

Engagement Summary

Between 7 May and 3 July 2019 Central Coast Council consulted with the community to develop a draft Waste Strategy.

Through consultation Council aimed to inform the community of how Council is currently performing in the area of waste management and landfill diversion, test proposed themes and solutions with the community and seek ideas to identify potential gaps.

What's next?

Council will prepare a consultation report, which will be published on yourvoiceourcoast.com.

Community feedback will be considered to prepare the draft Waste Strategy, including actions for the future.

This draft strategy will be placed on public exhibition for further community feedback before being finalised and adopted.
