Dear Mr Ronan,

Re: Request for comment- planning proposal in respect of 49 lots at Glenworth Valley and Calga

I write in response to your letter dated 9 November 2020, in which you seek Darkinjung Local Aboriginal Land Council's (DLALC) consideration and comment on a planning proposal to allow additional permitted uses across 49 lots within the Glenworth Valley and Calga area (PP 38/2013).

Thank you for the opportunity to consider and comment on PP 38/2013. Our comments are based on a review of the planning documentation available as at the date of this letter.

Regarding Lot 245 DP 48817 and Lot 7 DP 1230083, that being land owned by DLALC, we consent to their inclusion in PP 38/2013. Other than this matter, DLALC has no further comments regarding PP 38/2013 at this stage of the planning process.

If you require further information, please feel free to contact our office at your convenience.

Yours sincerely,

Blake Cansdale
