

Niagara Park Stadium Accessibility Upgrade

Engagement Summary

Central
Coast
Council

Summary

Between 11 October and 8 November 2022 Central Coast Council sought community feedback on the concept plans for accessibility improvements to Niagara Park Stadium.

Central Coast Council received \$850,000 from Round Four of the Stronger Country Community Fund to improve accessibility to the Niagara Park Stadium.

The project proposes to provide an accessibility upgrade, including a new driveway, car park including two disabled parking spaces and pedestrian pathways as well as a refresh to the building's façade, to support current community use and encourage patronage to the area.

The community were invited to have their say on the following accessibility updates and aesthetic improvements:

- New driveway and car park
- New pedestrian pathways
- Updated building façade

Council wanted to hear about how these improvements can be made with both local and visiting communities' needs in mind.

Engagement Results

A total of 11 comments were received and a total of 71 votes were placed on comments and features. The concept plans received 89% support for the proposed features.

Themes from the feedback included:

- Improving access via new pathways
- Additional disabled parking spaces
- Façade and protecting future vandalism
- Bike racks and bush regeneration

How you connected

242 visits to the Your Voice Our Coast website

The concept plan was visited **341** times

More than **30,000** social media users reached generating **174** likes, comments and shares.

12,084 community members were kept up-to-date through via Council's eNews

145 stakeholders were notified directly by email

11 suggestions and **71** votes were received with **89%** of votes in support of the key features.

What's next?

We are using the feedback the community has provided to inform refinements to the concept plans. We will inform the community of the finalised plans in the coming months.
