Background & Locality Context

At the Ordinary Council Meeting of 22 August 2023 Council resolved to reclassify the following parcels of land from Community Land to Operational land:

- 18 Dane Drive Gosford
- 49-51 Mann Street Gosford
- 50W Parraweena Rd Gwandalan
- 48W Wallarah Road Gorokan
- 191 Wallarah Road Kanwal
- Part 6W Kemira Road Lake Munmorah
- 75 Bungary Road Norah Head
- Part 20 Summerland Road Summerland Point
- Part 2-4 Park Road The Entrance
- 13-15 Yaralla Road Toukley

The site Austin Butler Access, Woy Woy (part only) was originally included in this reclassification process, however at the Ordinary Council Meeting of 26 September 2023, it was resolved the site was to be removed from the process and further community feedback was to be sought. Community feedback was reported to Council on the 28th of November 2023.

This Planning Proposal has been prepared to implement the Council resolution and allow for an amendment to the *Central Coast Local Environmental Plan 2022* and *State Environmental Planning Policy (Precincts – Regional) 2021*.

Three sites (four lots) are proposed to be rezoned from RE1 – Public Recreation to RE2 – Private Recreation. Land zoned RE1 Public Recreation should not be privately owned, therefore if any sites are sold in the future, they should be RE2 Private Recreation. The zone objectives and permitted and prohibited uses in RE1 and RE2 zones are largely the same. If any Council land is sold and the buyer seeks to rezone the land, the onus will be on the buyer to undertake a separate Planning Proposal process, where detailed site studies will be required.

Part 1 Objectives or Intended Outcomes

The objective of this proposal is to facilitate the reclassification of Council owned land from Community Land to Operational Land and extinguish Trusts and encumbrances (where required) to allow for the future long-term lease or sale of Council owned land.

At its meeting on 22 August 2023, Council considered a report on the Bulk Reclassification of Council Land. This Planning Proposal has been prepared in response to points 5 and 7 of the following resolution:

At its Ordinary Meeting of 22 August 2023, Council resolved:

137/23

That Council:

- 1 *Commence the reclassification of 80 lots of operational land located in 12 suburbs to community land in accordance with Section 34 of the Local Government Act 1993. The street addresses and*

legal descriptors of the 80 lots of land proposed for reclassification are listed in Attachment 1 and involve:

- a. four sites with improvements (five lots in all) at Glenning Valley (part of Berkley Sports Complex), Kanwal (Lakelands Community Centre), Wamberal (Wamberal Memorial Hall) and Yarramalong (St Barnabas Church); and*
 - b. nine park and natural area sites (some of which are groups of sites, comprising 75 lots in all) at Buff Point, Davistown, Hamlyn Terrace, Jiliby, Lisarow, Noraville, Springfield and Watanobbi.*
- 2 Publicly exhibit the proposed reclassification of these 80 lots of land from operational to community for not less than 28 days.*
- 3 Note that once reclassified as community land, these sites will be subject to further community engagement through a future categorisation process and included in a revised Council Community Land Plan of Management.*
- 4 Revoke Council resolutions 202/21/1, 202/21/6 and 202/21/7 of 27 July 2021 to reclassify and/or sell the following three sites of community land:*
 - a. Land at 4 and 6 Tyrrell Place KILLARNEY VALE (Lot 479 DP 704452 and Lot 478 DP 704452);*
 - b. Land at 8 and 10 Bay Village Road BATEAU BAY (Lot 51 DP 1154778 and Lot 2 DP 1154356); and*
 - c. Land at 10W Woodcutters Road WOONGARAH (Lot 32 DP 1044070).*
- 5 Commence the reclassification of the following four lots from community land to operational land in accordance with Section 34 of the Local Government Act 1993 (Attachment 2):*
 - a. Land facing Henry Parry Drive that provides access to the former Council Chambers at 49-51 Mann St GOSFORD, being Lot 1 in DP 251476;*
 - b. Land abutting Kanangra Drive to the east known as 50W Parraweena Drive GWANDALAN, being Lot 1 in DP 1043151;*
 - c. Land being part of 6W Kemira Road LAKE MUNMORAH; being part of Lot 79 in DP 217918; and*
 - d. Land at 20 Summerland Road SUMMERLAND POINT known as Summerland Sporties, and currently leased to Doyalson-Wyee RSL Club, being part of Lot 4 in DP 263812.*
- 6 Progress the subdivision of land to facilitate reclassification of part of 6W Kemira Road LAKE MUNMORAH and part of 20 Summerland Road SUMMERLAND POINT.*
- 7 Note Council's intention to progress resolutions 52/21 of 22 March 2022 and 202/21/8-13 of 27 July 2021 to reclassify the following seven sites from community to operational land:*
 - a. 18 Dane Street, GOSFORD, being Lot 2 DP 1011876;*
 - b. 48W Wallarah Road, GOROKAN, being Lot 2 DP 733448;*

- c. 191 Wallarah Road, KANWAL, being Lot 21 DP 813270;
- d. 75 Bungary Road, NORAH HEAD, being Lot 5 Sec 24 DP 758779 and Lot 1 DP 860696;
- e. Part 2-4 Park Road, THE ENTRANCE, being Lot 10 DP 1285833 (part only) and Lot 1 DP 406038 (part only);
- f. 13 and 15 Yaralla Road, TOUKLEY, being Lot 78 DP 20493 and Lot 79 DP 20493; and
- g. Car park and curtilage, Austin Butler Access, WOY WOY, being Lot 19 DP 235385 (part only).

8 As part of the consultation process to reclassify land described in parts 5 and 7, seek community feedback on the following options with respect to Austin Butler Access, WOY WOY (Lot 9 DP 235385 [part only]):

- a. Retain the site in Council ownership, or
- b. Proceed with the sale and allocate all proceeds from that sale via the 10-year Long Term Financial Plan to the greening of the local community, for example, via an extensive street tree planting program.

Further to the resolution above, at the Ordinary Council Meeting of the 26 September 2023, it was resolved:

157/23

That Council:

- 1 Notes advice provided by the Local Planning Panel and confirms that no rezoning is proposed as part of the Planning Proposal to reclassify Council land identified in Attachment 1.
- 2 Requests a Gateway Determination from the Minister for Planning and Public Spaces in accordance with Section 3.34 of the Environmental Planning and Assessment Act 1979, in relation to the Planning Proposal in Attachment 1, with the exception of Austin Butler Access, WOY WOY (Lot 9 DP 235385 [part only]).
- 3 Undertakes community and public authority consultation in accordance with the Gateway Determination requirements.
- 4 Receives a report to further consider the Planning Proposal following public consultation.
- 5 Note Part 1 of resolved Administrator's Minute being:

Remove Austin Butler Access, WOY WOY (Lot 9 DP 235385 [part only]) from the current bulk reclassification of land process.

Council intends to extinguish the Public Reserve Trust requirements on the DP for the sites, and other minor encumbrances on the titles of land (where relevant), as part of the reclassification to Operational land.

The Planning Proposal seeks to rezone the following sites from RE1 Public Recreation to RE2 Private Recreation:

- Lot 2 DP733448, 48w Wallarah Road Gorokan 2263 NSW

- Lot 21 DP 813270, 191 Wallarah Road Kanwal 2259 NSW
- Part Lot 10 DP 1285833, Part 2-4 Park Road The Entrance 2259 NSW
- Part of Lot 1 DP 406038, Part 2-4 Park Road The Entrance 2259 NSW

Land zoned RE1 Public Recreation should not be privately owned, therefore if any sites are sold in the future, they should be RE2 Private Recreation. The zone objectives and permitted and prohibited uses in RE1 and RE2 zones are largely the same. Should future use of land be proposed that is not permitted within the current land use zone, detailed environmental assessment would be undertaken at that time to inform any future determination on whether to rezone the land.

Part 2 Explanation of Provisions

The outcome will be facilitated by an amendment to Central Coast Local Environmental Plan 2022 and State Environmental Planning Policy (Precincts – Regional) 2021 which involves the following:

- Amend Schedule 4, Part 1 of *Central Coast Local Environmental Plan 2022 (no interests changed)*
- Amend Schedule 4, Part 2 of *Central Coast Local Environmental Plan 2022 (interests changed)*
- Amend Schedule 8, Part 2 of *State Environmental Planning Policy (Precincts – Regional) 2021 (interests changed)*
- Update/include relevant mapping where required

Part 3 Justification

Section A – Need for the Planning Proposal

1. Is the Planning Proposal a result of any Strategic Study or report?

Council resolved at its meeting of 23 August 2023 to proceed with the reclassification of seven sites as proposed as part of previous Council resolutions (Table 2 below) and included four additional sites (Table 3 below). The site Austin Butler Access, Woy Woy, was removed from the reclassification process following resolution at the Ordinary Council Meeting of 26 September 2023, therefore 10 sites are now included in this reclassification proposal.

Table 2: Sites resolved by Council for disposal or long-term lease and not yet processed

Site	Lot/DP	Reason for recommendation
18 Dane Drive, Gosford	Lot 2 DP 1011876	To support the Gosford waterfront and stadium revitalisation initiative by providing increased flexibility for potential future uses. This site is not proposed to be sold.
48W Wallarah Road, Gorokan	Lot 2 DP 733448	To rationalise use of land by the adjoining club either via sale or long-term lease.
191 Wallarah Road, Kanwal	Lot 21 DP 813270	To rationalise use of land by adjoining club either via sale or long-term lease.
75 Bungary Road, Norah Head	Lot 5 Sec 24 DP 758779 & Lot 1 DP 860696	To sell via open market to part-fund development of new community centre.
Part 2-4 Park Road, The Entrance	Lot 10 DP 1285833 (part only) & Lot 1 DP 406038 (part only)	To enable rebuilding of The Greens Bowling Club, either via sale or long-term lease.
13 and 15 Yaralla Road, Toukley	Lot 78 DP 20493 & Lot 79 DP 20493	To enable inclusion of land in Council's affordable housing sites portfolio, either via sale or long-term lease.

Table 3: Additional sites proposed for reclassification

Site	Lot/DP	Reason for reclassification
Small sliver of land at 49-51 Mann Street, Gosford	Lot 1 DP 251476	The reclassification of the access lot at 49 Mann Street Gosford is recommended, as this portion of land was inadvertently omitted from the recent reclassification of land to support sale of the former Council chambers at Gosford to TAFE.
50W Parraweena Rd, Gwandalan	Lot 1 DP 1043151	The reclassification of the long narrow strip of land east of Kanangra Road at Gwandalan. The reclassification of the site will enable the potential long term-lease or sale and incorporation of the site into the Gwandalan Centre proposal.
(Part) 6W Kemira Road, Lake Munmorah	Lot 79 DP 217918	Reclassification of part of the land at 6W Kemira Road Lake Munmorah to enable the dedication of the land as public road. This site is not proposed to be sold.
Part 20 Summerland Road Summerland Point	Lot 4 DP 263812	The reclassification of the land occupied by Sporties at Summerland Point is recommended as it is intended that the land should be offered to the owner of Sporties (being Doyalson-Wyee RSL Club) on a long-term operational lease on suitable commercial terms, providing an ongoing funding stream for other Council recreational services at the same time as recreational facilities on-site experience substantial upgrade and modernisation.

2. Is the planning proposal the best means of achieving the objectives or intended outcomes, or is there a better way?

The Planning Proposal is the only means of achieving the objectives and intended outcomes. The reclassification of land is required to meet both the requirements of the *Environmental Planning and Assessment Act 1979* and *Local Government Act 1993*, through the preparation of a Planning Proposal.

Section B – Relationship to strategic planning framework

3. Is the planning proposal consistent with the objectives and actions of the applicable regional, sub-regional or district plan or strategy (including any exhibited draft plans or strategies)?

Central Coast Regional Plan (2041)

The proposal is consistent with the Central Coast Regional Plan 2041, the proposal will provide more affordable housing on the Central Coast (Objective 5), which is a Federal, State and Local Government priority. The proposal will also allow for the dedication of a public road which will assist in the delivery of a 300 lots subdivision at Lake Munmorah, providing housing and jobs through the construction phase of the project (Objective 1). The proposal will also assist in the revitalisation of Gosford City Centre to support the delivery of the new TAFE development (Objective 8).

4. Is the planning proposal consistent a local Council's local strategy or other local strategic plan?

Community Strategic Plan

The proposal is consistent with the five themes of the Community Strategic Plan, including:

Table 4: Consistency with the Community Strategic Plan

Theme	Objective
Smart	C2 - Revitalise Gosford City Centre, Gosford Waterfront and town centres as key destinations and attractors for businesses, local residents, visitors and tourists
Smart	C3 - Facilitate economic development to increase local employment opportunities and provide a range of jobs for all residents.
Smart	D3 - Invest in broadening local education and learning pathways linking industry with Universities, TAFE and other training providers
Responsible	G2 - Engage and communicate openly and honestly with the community to build a relationship based on trust, transparency, respect and use community participation and feedback to inform decision making
Responsible	I4 - Provide a range of housing options to meet the diverse and changing needs of the community including adequate affordable housing

Central Coast Local Strategic Planning Statement

The Central Coast Local Strategic Planning Statement 2020 (LSPS) guides land use planning and decision making for the future of the Central Coast LGA. The LSPS came into effect on 21 August 2020 and outlines the desired future direction for housing, employment, transport, recreation, environment and infrastructure.

The proposal is consistent with the Local Strategic Planning Statement as it will assist in the revitalisation of Gosford, allow for the rebuilding of community assets (Green Bowling Club), improve recreational facilities at Summerland Point and provide more opportunity for affordable housing on the Central Coast by the expansion of land in Council's affordable housing sites portfolio.

5. Is the planning proposal consistent with applicable State Environmental Planning Policies?

The proposal has been considered against the relevant State Environmental Planning Policies (SEPP).

The proposal is generally consistent with the applicable SEPPs.

The Planning Proposal seeks to rezone the following sites from RE1 Public Recreation to RE2 Private Recreation:

- Lot 2 DP733448, 48w Wallarah Road Gorokan 2263 NSW
- Lot 21 DP 813270, 191 Wallarah Road Kanwal 2259 NSW
- Part Lot 10 DP 1285833, Part 2-4 Park Road The Entrance 2259 NSW
- Part of Lot 1 DP 406038, Part 2-4 Park Road The Entrance 2259 NSW

Other than the above listed sites, the Planning Proposal proposes the reclassification of land only. If Council determines land to be rezoned and sold in the future, a Planning Proposal will be prepared to assess the merits of the proposal.

6. Is the planning proposal consistent with applicable Ministerial Directions (s.9.1 directions)?

The proposal has been considered against the relevant Ministerial Section 9.1 Directions as summarised below. The full assessment of these Directions is contained within the supporting documentation of this proposal.

Section C – Environmental, Social and Economic Impact

7. *Is there any likelihood that critical habitat or threatened species, populations or ecological communities, or their habitats, will be adversely affected as a result of the proposal?*

This Planning Proposal only proposes to rezone three sites (four lots) from RE1 Public Recreation to RE2 Private Recreation to ensure public recreation lands are not in private ownership. The objectives permitted and prohibited uses are largely the same in RE1 and RE2 zones. Aside from these sites, the Planning Proposal does not propose to rezone any other land, the intent of the proposal is to reclassify land from Community Land to Operational Land to allow for the long-term lease or sale of Council owned land. Should a proposed future use of the land be proposed that was not permitted within the current land use zone, detailed environmental assessment would be undertaken at that time to inform any future determination on whether to rezone the land.

Future development on the sites to be reclassified will require lodgement of a development application which will be determined in line with Council's Planning Controls and compliance with relevant legislation.

The change in zone from RE1 to RE2 does not substantially change the permitted and prohibited uses of the site, but rather better aligns with the associated uses.

The proposal will not adversely affect critical habitat, threatened species, populations or ecological communities, or their habitats.

8. *Are there any other likely environmental effects as a result of the planning proposal and how are they proposed to be managed?*

There are no likely environmental effects as a result of the planning proposal as the intent of the planning proposal is to change the classification of land. Supplementary to this reclassification, this Planning Proposal proposes to rezone four lots from RE1 Public Recreation to RE2 Private Recreation only.

Should a proposed future use of the land in the planning proposal be proposed that was not permitted within the land use zones, detailed environmental assessment and agency consultation would be undertaken at that time to inform any future determination on whether to rezone the land.

Has the planning proposal adequately addressed any social and economic impacts?

Social Issues and Economic Impacts

The proposal does include 5 sites zoned RE1, these include:

1. 48W Wallarah Road, Gorokan (foreshore land Wallarah Bay Recreation Club)
2. 191 Wallarah Road, Kanwal (community hall and car park)
3. Part 2-4 Park Road, The Entrance (Greens Bowling Club – Bowling club and bowling greens only – the adjacent open space is not part of the proposal)
4. 18 Dane Drive, Gosford (Gosford City Bowling Club)
5. Part 20 Summerland Road, Summerland Point (Summerland Sporties – leased area only)

Three of these sites (four lots) will be rezoned from RE1 Public Recreation to RE2 Private Recreation. The objectives and permitted and prohibited uses are largely the same between the two recreation zones. Should a future use of the land be proposed that is not permitted within the land use zone, detailed environmental assessment would be undertaken at that time to inform any future determination on whether to rezone the land.

The community consultation undertaken as part of the Planning Proposal will include a Public Hearing to allow community members to provide feedback on the proposal.

The Planning Proposal was reported to the Local Planning Panel on 14 September 2023, as a requirement of the plan making process. Planning Proposals must be forwarded to the Local Planning Panel for advice (the LPP is not a determining body for Planning Proposals) before Council considers whether to forward the Planning Proposal to the Minister requesting a Gateway Determination.

The Local Planning Panel considered the Planning Proposal and provided the following advice:

1. *The Panel support the reclassification of land except those sites zoned SP2 – Infrastructure or RE1 – Public Recreation. Such sites should be deferred until the completion of an environmental assessment of their rezoning potential. Once completed appropriate classification of the sites can be determined and if required any future planning proposal would include*
 - *Rezoning of the Land including supporting environment assessment studies, and*
 - *Reclassification of the land under the Local Government Act 1993.*

Since the Local Planning Panel meeting, it was required by the Department of Planning to rezone four lots from RE1 Public Recreation to RE2 Private Recreation as part of the Planning Proposal process. Beyond this, the Planning Proposal does not intend to rezone any further sites, the intent of the planning proposal is to seek reclassification of the land. If any sites are considered for rezoning in the future, they will be subject to detailed environmental assessments and agency consultation. Further information on the sites zoned RE1 Public Recreation and SP2 – Infrastructure is provided below:

18 Dane Drive, Gosford NSW 2250 (RE1 Public Recreation)

Gosford City Bowling Club is proposed to be reclassified to operational land and retained in Council ownership. The site is leased to the Central Coast Leagues Club and the Gosford Bowling Club is provided access to the site by the Leagues Club. The lease to the Central Coast Leagues Club expires in December 2024.

At the Ordinary Council Meeting of 23 March 2021, Council resolved to adopt the Stadium Implementation Plan and make it available on Council's website. A key component of the Implementation Plan is to develop a precinct masterplan for the stadium and 18 Dane Drive, Gosford.

A further report to Council was prepared for the 27 April 2021 Council Meeting seeking a resolution to rezone and reclassify 18 Dane Drive, Gosford to Operational Land to enable greater opportunities defined in the Stadium Implementation Plan. This matter was deferred to allow for community consultation. Community consultation was undertaken between 30 April and 21 May 2021, the key findings from the community's submission included:

- Consideration of user groups who may be affected,
- Stadium management rights could be provided to another party,
- Support for the rezoning and reclassification process to stimulate the Stadium, and
- Request for more music concerts being held at the Stadium.

At the 22 March 2022 Ordinary Council Meeting, a further report was brought to Council on the submissions and outcomes following the public exhibition of the Central Coast Stadium- Rezoning and Reclassification proposal. Council resolved *"That Council commence the rezoning and reclassification process for Lot 2, DP 1011876 which will allow greater Masterplan outcomes"*.

Council is not proposing to sell the site or change the current lease conditions in place with Central Coast Leagues Club. Council has indicated its intention to extend a further lease to the Leagues Club, subject to agreement on lease terms. Detailed environmental investigations would be undertaken at the time that a preferred alternative use of the site is ready to progress.

Part 6W Kemira Road Lake Munmorah 2259 NSW (SP2 Infrastructure)

Following public consultation, Council resolved on the 22 November 2022 to endorse a Planning Proposal (as amended), draft Central Coast Development Control Plan Chapter (as amended) and draft Planning Agreement for lands at 6W Kemira Road and 285-325 Pacific Highway, Lake Munmorah.

The Planning Proposal sought to rezone lands from RU6 Transition and C2 Environmental Conservation to R2 Low Density Residential, SP2 Infrastructure, RE1 Public Recreation and C2 Environmental Conservation under CCLEP 2022. The subject Planning Proposal will result in the creation of an additional 300 low density residential lots.

The proposal sought to apply a SP2 Infrastructure zone to a portion of 6W Kemira Road Lake Munmorah to enable the construction of a collector road to provide access to the future residential subdivision via Chisholm Avenue and Tall Timbers Road, Lake Munmorah.

The rezoning was finalised in December 2022. The portion of 6W Kemira Road defined by the SP2 Infrastructure Zone now requires subdivision and reclassification from community to operational land before it can be dedicated as a public road.

A detailed environmental assessment was undertaken as part of the Planning Proposal (to rezone the site) and no further assessment is required. Council is not proposing to sell the site, as it will be dedicated as a public road.

Part 2-4 Park Road The Entrance 2259 NSW (RE1 Public Recreation)

The proposed reclassification of land relates to the bowling club land only and not the adjacent open space. The site is home to The Greens Bowling Club, with the land leased to The Mingara Club on a 20-year lease which was renewed in October 2022. The club is responsible for the maintenance and improvements of buildings and bowling greens.

In March 2020, a fire destroyed the club, with The Mingara Club responsible for demolition and rebuilding of the club and bowling facilities. The Mingara Club requested to purchase the land from Council to assist in obtaining the necessary finances to rebuild the club.

DA/1163/2021 was approved last year for the redevelopment of the fire damaged club. The proposed reclassification of the land from community to operation will facilitate the long term lease or sale of the land to The Mingara Club, to assist in the redevelopment of the site. The long term lease or sale of the land will not change the use of the site as a bowling club.

The site is proposed to be rezoned from RE1 Public Recreation to RE2 Private Recreation. The objectives and permitted and prohibited land uses in recreation zones are largely the same. Should a future use of the land be proposed that is not permitted within the recreation land use zones, detailed environmental assessment would be undertaken at that time to inform any future determination on whether to rezone the land.

191 Wallarah Road, Kanwal 2259 NSW (RE1 Public Recreation)

The land was transferred from the Wyong District Rugby League Football Club to Wyong Shire Council in October 1991 as part of the subdivision of land to create a youth and community centre and car park.

Wyong Leagues Club operate under license in the lower area of the club and items are also stored in the lower section of building. Community bookings are currently managed by Council's Community Facilities Booking team. It is proposed that community bookings will continue under Wyong Leagues Club ownership.

The site is proposed to be reclassified to enable long term lease or sale of the property to the Wyong Rugby Leagues Club Group. The site is proposed to be rezoned from RE1 Public Recreation to RE2 Private Recreation so enable the potential sale of the site. Should a future use of the land be proposed that is not permitted within the recreation land use zones, detailed environmental assessment would be undertaken at that time to inform any future determination on whether to rezone the land.

48W Wallarah Road, Kanwal 2259 NSW (RE1 Public Recreation)

The site is used by the Wallarah Bay Recreation Club and is land-locked and therefore is only able to be accessed by water or through the club site. The site is currently licenced and maintained by the Wallarah Bay Recreation Club, which has made improvements to the land.

Council intends to reclassify the land to enable to the long term lease or sale of the land to the Wyong Rugby League Club Group. The site is proposed to be rezoned from RE1 Public Recreation to RE2 Private Recreation so enable the potential sale of the site. Should a future use of the land be proposed that is not permitted within the recreation land use zones, detailed environmental assessment would be undertaken at that time to inform any future determination on whether to rezone the land.

Part 20 Summerland Road, Summerland Point (RE1 Public Recreation)

Part of 20 Summerland Road, Summerland Point is proposed to be reclassified to allow for the long-term lease of the site to the Doyalson Wyee RSL Club, who operate Summerland Sporties. The long-term lease will allow for upgrading of the club.

The reclassification of the site will apply only to the current leased areas and not to the entire parcel of land. Should a future use of the land be proposed that is not permitted within the current land use zone, detailed environmental assessment would be undertaken at that time to inform any future determination on whether to rezone the land.

Section D – State and Commonwealth Interests

9. *Is there adequate public infrastructure for the planning proposal?*

Aside from the RE1 to RE2 rezonings, the planning proposal does not propose to rezone land and therefore there will be no change to public infrastructure requirements, through this planning proposal. The site 6W Kemira Road, Lake Munmorah is proposed to be reclassified to Operational Land to allow for dedication of land as public road.

Future development of the site will require a development application to be lodged; public infrastructure requirements will be assessed as part of this process.

10. *What are the views of State and Commonwealth public authorities consulted in accordance with the gateway determination?*

The Planning Proposal was referred to the NSW Rural Fire Service and the NSW Department of Climate Change, Energy, the Environment and Water (Biodiversity and Conservation Division (BCD)) for comment.

The NSW RFS raised no concerns with the proposed rezonings and noted future development on bush fire prone land is required to address the relevant requirements of Planning for Bush Fire Protection 2019 (or equivalent). BCD also raised no objection to the proposal, provided that the reclassification does not raise development expectation to parcels that are either of high biodiversity value, flood prone or mapped coastal zones.

Part 4 Mapping

For some sites, the land to be reclassified does not apply to the whole lot.

As such, a Land Reclassification (part lots) Map is included at Appendix E to identify the relevant portion of the lot to be reclassified.

Part 5 Community Consultation

The proposal will be made available for **28** days for community consultation and undertaken in accordance with any determinations made by the Gateway. The proposal will be made available on Council's website (Your Voice Our Coast). Additionally, notification of the exhibition of the proposal will be provided to adjoining landholders.

Council will also facilitate a Public Hearing as required by the Local Government Act 1993 following the conclusion of the public exhibition period.

Recommendation

That Council:

- 1 Notes advice provided by the Local Planning Panel and confirms that no rezoning is proposed as part of the Planning Proposal to reclassify Council land identified in Attachment 1.***
- 2 Requests a Gateway Determination from the Minister for Planning and Public Spaces in accordance with Section 3.34 of the Environmental Planning and Assessment Act 1979, in relation to the Planning Proposal in Attachment 1.***
- 3 Undertakes community and public authority consultation in accordance with the Gateway Determination requirements.***
- 4 Receives a report to further consider the Planning Proposal following public consultation.***

Report purpose

To seek Council endorsement to request Gateway Determination from the Minister for Planning and Public Spaces for a Planning Proposal to reclassify Council owned land from Community to Operational and undertake community consultation for the proposal.

Executive Summary

Council resolved on 22 August 2023 to undertake a bulk reclassification of land, which included the reclassification of land from operational to community and community to Operational. A Planning Proposal has been prepared to initiate an amendment to the *Central Coast Local Environmental Plan 2022 (CCLEP 2022)* and *State Environmental Planning Policy (Precincts Regional) 2021 (SEPP Precincts)* to reclassify Council owned land from community to operational. The Planning Proposal sets out the land to be reclassified, including the extinguishing of Public Reserve Trusts and other encumbrances where required.

Two of the sites to be reclassified are included in the boundary of *State Environmental Planning Policy (Precincts Regional) 2021* and therefore an amendment to both the *Central Coast Local Environmental Plan 2022* and *State Environmental Planning Policy (Precincts Regional) 2021* is required.

Background

At its Ordinary Meeting of 22 August 2023, Council resolved:

237/23

That Council:

- 1 Commence the reclassification of 80 lots of operational land located in 12 suburbs to community land in accordance with Section 34 of the Local Government Act 1993. The street addresses and legal descriptors of the 80 lots of land proposed for reclassification are listed in Attachment 1 and involve:
 - a. four sites with improvements (five lots in all) at Glenning Valley (part of Berkley Sports Complex), Kanwal (Lakelands Community Centre), Wamberal (Wamberal Memorial Hall) and Yarramalong (St Barnabas Church); and
 - b. nine park and natural area sites (some of which are groups of sites, comprising 75 lots in all) at Buff Point, Davistown, Hamlyn Terrace, Jilliby, Lisarow, Noraville, Springfield and Watanobbi.
- 2 Publicly exhibit the proposed reclassification of these 80 lots of land from operational to community for not less than 28 days.
- 3 Note that once reclassified as community land, these sites will be subject to further community engagement through a future categorisation process and included in a revised Council Community Land Plan of Management.
- 4 Revoke Council resolutions 202/21/1, 202/21/6 and 202/21/7 of 27 July 2021 to reclassify and/or sell the following three sites of community land:
 - a. Land at 4 and 6 Tyrrell Place KILLARNEY VALE (Lot 479 DP 704452 and Lot 478 DP 704452);
 - b. Land at 8 and 10 Bay Village Road BATEAU BAY (Lot 51 DP 1154778 and Lot 2 DP 1154356); and
 - c. Land at 10W Woodcutters Road WOONGARAH (Lot 32 DP 1044070).
- 5 Commence the reclassification of the following four lots from community land to operational land in accordance with Section 34 of the Local Government Act 1993 (Attachment 2):
 - a. Land facing Henry Parry Drive that provides access to the former Council Chambers at 49-51 Mann St GOSFORD, being Lot 1 in DP 251476;
 - b. Land abutting Kanangra Drive to the east known as 50W Parraweena Drive GWANDALAN, being Lot 1 in DP 1043151;
 - c. Land being part of 6W Kemira Road LAKE MUNMORAH; being part of Lot 79 in DP 217918; and
 - d. Land at 20 Summerland Road SUMMERLAND POINT known as Summerland Sporties, and currently leased to Doyalson-Wyee RSL Club, being part of Lot 4 in DP 263812.
- 6 Progress the subdivision of land to facilitate reclassification of part of 6W Kemira Road LAKE MUNMORAH and part of 20 Summerland Road SUMMERLAND POINT.

- 7 Note Council's intention to progress resolutions 52/21 of 22 March 2022 and 202/21/8-13 of 27 July 2021 to reclassify the following seven sites from community to operational land:
- 18 Dane Street, GOSFORD, being Lot 2 DP 1011876;
 - 48W Wallarah Road, GOROKAN, being Lot 2 DP 733448;
 - 191 Wallarah Road, KANWAL, being Lot 21 DP 813270;
 - 75 Bungary Road, NORAH HEAD, being Lot 5 Sec 24 DP 758779 and Lot 1 DP 860696;
 - Part 2-4 Park Road, THE ENTRANCE, being Lot 10 DP 1285833 (part only) and Lot 1 DP 406038 (part only);
 - 13 and 15 Yaralla Road, TOUKLEY, being Lot 78 DP 20493 and Lot 79 DP 20493; and
 - Car park and curtilage, Austin Butler Access, WOY WOY, being Lot 19 DP 235385 (part only).
- 8 As part of the consultation process to reclassify land described in parts 5 and 7, seek community feedback on the following options with respect to Austin Butler Access, WOY WOY (Lot 9 DP 235385 [part only]):
- Retain the site in Council ownership, or
 - Proceed with the sale and allocate all proceeds from that sale via the 10-year Long Term Financial Plan to the greening of the local community, for example, via an extensive street tree planting program.

Current Status

A Planning Proposal has been prepared to progress points 5 and 7 of the above resolution. The Planning Proposal was reported to the Local Planning Panel Meeting of 14 September 2023 for their consideration.

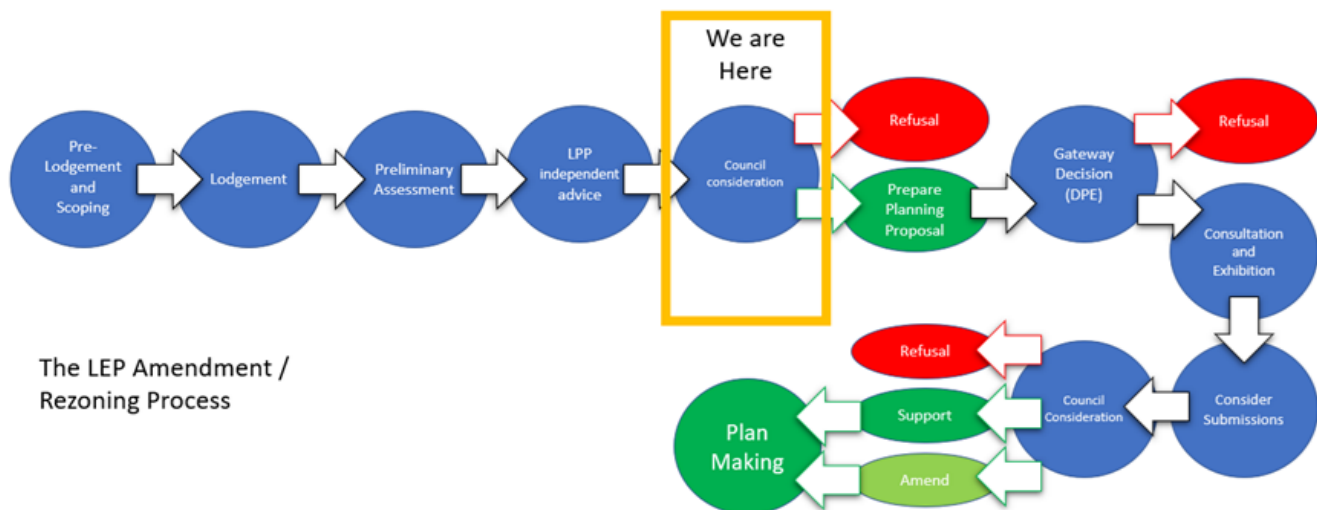

Figure 1 – Local Environmental Plan amendment process

Report

The Planning Proposal proposes to reclassify the following Council owned land from community to operational and extinguish Public Reserve Trusts and other encumbrances where required. The Planning Proposal does not propose to rezone any of the sites.

Two of the sites to be reclassified are included in the boundary of *State Environmental Planning Policy (Precincts Regional) 2021* and therefore an amendment to both the *Central Coast Local Environmental Plan 2022* and *State Environmental Planning Policy (Precincts Regional) 2021* is required. The following sites (as resolved by Council at its meeting of 22 August 2023) are proposed to be reclassified:

- 18 Dane Drive, Gosford
- 49-51 Mann Street, Gosford
- 50W Parraweena Rd, Gwandalan
- 48W Wallarah Road, Gorokan
- 191 Wallarah Road, Kanwal
- Part 6W Kemira Road, Lake Munmorah (part)
- 75 Bungary Road, Norah Head
- Part 20 Summerland Road, Summerland Point (leased area)
- 2-4 Park Road, The Entrance (Bowling club site only)
- 13-15 Yaralla Road, Toukley
- Car Park & Curtilage/ Austin Butler Way, Woy Woy – 51 Chambers Place, Woy Woy (part)

Consultation

The Planning Proposal will be made available for 28 days for community consultation and undertaken in accordance with any determinations made by the Gateway. Council will also facilitate a Public Hearing following the conclusion of the public exhibition period.

The Planning Proposal was reported to the Local Planning Panel on 14 September 2023, as a requirement of the plan making process. Although the Local Planning Panel has decision making powers for Planning Proposals, all Planning Proposals must be forwarded to the Local Planning Panel for advice before Council considers whether or not to forward the Planning Proposal to the Minister for Planning and Public Spaces requesting a Gateway Determination.

The Local Planning Panel considered the Planning Proposal and provided the following advice:

The Panel support the reclassification of land except those sites zoned SP2 – Infrastructure or RE1 – Public Recreation. Such sites should be deferred until the completion of an environmental assessment of their rezoning potential. Once completed appropriate classification of the sites can be determined and if required any future planning proposal would include:

- *Rezoning of the Land including supporting environment assessment studies, and*
- *Reclassification of the land under the Local Government Act 1993.*

The Planning Proposal does not intend to rezone any of the sites as part of this proposal and is seeking to reclassify the land only.

Further information on the sites zoned RE1 Public Recreation and SP2 – Infrastructure is provided below. The proposed reclassification of the land does not change the current land use. Should a future use of the land be proposed that was not permitted within the current land use zone, detailed environmental

assessment would be undertaken at that time to inform any future determination on whether to rezone the land.

18 Dane Drive, Gosford NSW 2250 (RE1 Public Recreation)

Gosford City Bowling Club is proposed to be reclassified to operational land and retained in Council ownership. The site is leased to the Central Coast Leagues Club and the Gosford Bowling Club is provided access to the site by the Leagues Club. The lease to the Central Coast Leagues Club expires in December 2024.

At the Ordinary Council Meeting of 23 March 2021, Council resolved to adopt the Stadium Implementation Plan and make it available on Council's website. A key component of the Implementation plan is to develop a precinct masterplan for the stadium and 18 Dane Drive, Gosford.

A further report to Council was prepared for the 27 April 2021 Council Meeting seeking a resolution to rezone and reclassify 18 Dane Drive, Gosford to Operational Land to enable greater opportunities defined in the Stadium Implementation Plan. This matter was deferred to allow for community consultation. Community consultation was undertaken between 30 April and 21 May 2021, the key findings from the community's submission included:

- Consideration of user groups who may be affected;
- Stadium management rights could be provided to another party;
- support for the rezoning and reclassification process to stimulate the Stadium
- request for more music concerts being held at the Stadium.

At the 22 March 2022 Ordinary Council Meeting, a further report was brought to Council on the submissions and outcomes following the public exhibition of the Central Coast Stadium- Rezoning and Reclassification proposal. Council resolved *"That Council commence the rezoning and reclassification process for Lot 2, DP 1011876 which will allow greater Masterplan outcomes"*

Council is not proposing to sell the site or change the current lease conditions in place with Central Coast Leagues Club. Council has indicated its intention to extend a further lease to the Leagues Club, subject to agreement on lease terms. Detailed environmental investigations would be undertaken at the time that a preferred alternative use of the site is ready to progress.

Part 6W Kemira Road Lake Munmorah 2259 NSW (SP2 Infrastructure)

Following public consultation, Council resolved on the 22 November 2022 to endorse a Planning Proposal (as amended), draft Central Coast Development Control Plan Chapter (as amended) and draft Planning Agreement for lands at 6W Kemira Road and 285-325 Pacific Highway, Lake Munmorah.

The Planning Proposal sought to rezone lands from RU6 Transition and C2 Environmental Conservation to R2 Low Density Residential, SP2 Infrastructure, RE1 Public Recreation and C2 Environmental Conservation under CCLEP 2022. The subject Planning Proposal will result in the creation of an additional 300 low density residential lots.

The proposal sought to apply a SP2 Infrastructure zone to a portion of 6W Kemira Road Lake Munmorah to enable the construction of a collector road to provide access to the future residential subdivision via Chisholm Avenue and Tall Timbers Road, Lake Munmorah.

The rezoning was finalised in December 2022. The portion of 6W Kemira Road defined by the SP2 Infrastructure Zone now requires subdivision and reclassification from community to operational land before it can be dedicated as a public road.

A detailed environmental assessment was undertaken as part of the Planning Proposal (to rezone the site) and no further assessment is required. Council is not proposing to sell the site, as it will be dedicated as a public road.

Part 2-4 Park Road The Entrance 2259 NSW (RE1 Public Recreation)

The proposed reclassification of land relates to the bowling club land only and not the adjacent open space. The site is home to The Greens Bowling Club, with the land leased to The Mingara Club on a 20-year lease which was renewed in October 2022. The club is responsible for the maintenance and improvements of buildings and bowling greens.

In March 2020, a fire destroyed the club, with The Mingara Club responsible for demolition and rebuilding of the club and bowling facilities. The Mingara Club requested to purchase the land from Council to assist in obtaining the necessary finances to rebuild the club.

DA/1163/2021 was approved last year for the redevelopment of the fire damaged club. The proposed reclassification of the land from community to operational will facilitate the long-term lease or sale of the land to The Mingara Club, to assist in the redevelopment of the site. The long-term lease or sale of the land will not change the use of the site as a bowling club.

The proposed reclassification of the land does not change the current land use. Should a proposed future use of the land be proposed that was not permitted within the current land use zone, detailed environmental assessment would be undertaken at that time to inform any future determination on whether to rezone the land.

191 Wallarah Road, Kanwal 2259 NSW (RE1 Public Recreation)

The land was transferred from the Wyong District Rugby League Football Club to Wyong Shire Council in October 1991 as part of the subdivision of land to create a youth and community centre and car park.

Wyong Leagues Club operate under license in the lower area of the club and items are also stored in the lower section of building. Community bookings are currently managed by Council's Community Facilities Booking team. It is proposed that community bookings will continue under Wyong Leagues Club ownership.

The site is proposed to be reclassified to enable long term lease or sale of the property to the Wyong Rugby Leagues Club Group. The proposed reclassification of the land does not change the current land use. Should a future use of the land be proposed that is not permitted within the current land use zone, detailed environmental assessment would be undertaken at that time to inform any future determination on whether to rezone the land.

48W Wallarah Road, Kanwal 2259 NSW (RE1 Public Recreation)

The site is used by the Wallarah Bay Recreation Club and is land-locked and therefore is only able to be accessed by water or through the club site. The site is currently licenced and maintained by the Wallarah Bay Recreation Club, which has made improvements to the land.

Council intends to reclassify the land to enable the long term lease or sale of the land to the Wyong Rugby League Club Group. The reclassification of the land is not intended to change the use of the land.

Should a future use of the land be proposed that is not permitted within the current land use zone, detailed environmental assessment would be undertaken at that time to inform any future determination on whether to rezone the land.

Part of 1 Austin Butler Acc, Woy Woy 2256 NSW (RE1 Public Recreation)

The Planning Proposal does not seek to rezone the land, only to reclassify it from community to operational land. Should a future use of the land be proposed that is not permitted within the current land use zone, detailed environmental assessment would be undertaken at that time to inform any future determination on whether to rezone the land.

Part 20 Summerland Road, Summerland Point (RE1 Public Recreation)

Part of 20 Summerland Road, Summerland Point is proposed to be reclassified to allow for the long-term lease of the site to the Doyalson Wyee RSL Club, who operate Summerland Sporties. The long-term lease will allow for upgrading of the club. The reclassification of the site will apply only to the current leased areas and not to the entire parcel of land.

Should a future use of the land be proposed that is not permitted within the current land use zone, detailed environmental assessment would be undertaken at that time to inform any future determination on whether to rezone the land.

Financial Considerations

At its meeting held 19 October 2020, Council resolved the following:

1108/20 That any motions put before Council for the remainder of this term of Council that have financial implications require the Chief Executive Officer to provide a report on how those additional costs will be met.

The following statement is provided in response to this resolution of Council.

The Planning Proposal, public consultation and public hearings will be undertaken using Council's adopted operational budget and will not have an impact on Council's bottom line.

Link to Community Strategic Plan

Theme 4: Responsible

Goal G: Good governance and great partnerships

R-G2: Engage and communicate openly and honestly with the community to build a relationship based on trust, transparency, respect and use community participation and feedback to inform decision making.

Risk Management

There have been no material risks to Council associated with the preparation of Planning Proposals, which are part of the regular business of Council.

Council will have a further opportunity to consider whether it wishes to progress reclassification of some or all of these parcels following the proposed consultation.

Options

- 1 Support the recommendation to request a Gateway Determination from the Minister for Planning and Public Spaces in relation to the Planning Proposal provided in Attachment 1. **This is the recommended option.**
- 2 Resolve not to support the Planning Proposal. This option will not allow for the reclassification of land.

Lot & Deposited Plan No.	Lot 1 DP 251476
Lot Size	38 m ²
Description	<p>Small strip of land at rear of Gosford Council Chambers, adjacent to Henry Parry Drive</p> 
Acquisition Details	<p>At its meeting on 1 July 1975 Gosford City Council resolved that "Approval be given for an application to be made to the Department of Lands for closure of the section of roadway 4' wide and variable across Henry Parry Drive frontage, for consolidation with lot 1 DP 564021 owned by council and containing the new Administration building." Lot 1 DP 251476 vested in Council when road was closed - gazetted 5 March 1976.</p>

Current Zoning	B3 Commercial Core
Proposed Zoning	B3 Commercial Core (no change)
Current Classification	Community
Proposed Classification	Operational
Classification History	No classification process following purchase, and land was not included in the Gosford City Council "Local Government Act 1993 Proposed Reclassification of Land". During the time that the draft Gosford Local Environmental Plan (LEP) was on public exhibition it was advised that the land should be included in the draft Gosford LEP as Operational Land. However, as the Draft Gosford LEP was already on public exhibition, it was too deemed too late to include this lot in the Gosford LEP. A Council resolution resolving to reclassify the land had not occurred and that a public hearing had not been conducted by the asset manager.
Trusts & Interests in the Land	Land was acquired for a public purpose and for an undisclosed sum. As such the land is subject to a Public Trust which should be extinguished via the reclassification process and prior to the proposed sale.
Proposal Amendment	Reclassify the subject land from Community to Operational Land (State Environmental Planning Policy (Precincts Regional) 2021)
Reason for Amendment	The reclassification of the access lot at 49 Mann Street Gosford is recommended, as this portion of land was inadvertently omitted from the recent reclassification of land to support sale of the former Council chambers at Gosford to TAFE.
Future use of Funds from Sale	Funds from the sale of the land will be directed in part towards the promotion of the Gosford waterfront masterplan and revitalisation of the Gosford City Centre.

Description	<p>Vacant, flat, and grassed lake front land. Irregular parcel of land only accessible via neighbouring lots or via water.</p> 
Acquisition Details	<p>As part of 1977 Development Consent 77/304 for subdivision and development of Lots 22-26 DP 7747. The land was given to council in lieu of \$10.700 bedroom contribution. Council required the dedication in fee simple of a foreshore strip 15m wide to Council for future development by Council as public garden and recreation space.</p>

Current Zoning	RE1 – Public Recreation
Proposed Zoning	RE2 – Private Recreation
Current Classification	Community
Proposed Classification	Operational
Classification History	Land classified as Community upon receipt of title.
Trusts & Interests in the Land	<p>Described as Public Reserve on Deposited Plan.</p> <p>Land was conveyed for a public purpose as it was dedicated as part of developer contributions. As such the land is subject to a Public Trust which should be extinguished via the reclassification process and prior to any sale.</p> <p>C842889 Covenant Affecting Part Land to be extinguished via a separate process prior to any sale.</p> <p>G584564 Easement For Drainage to be retained and DP 733448 Right Of Way to be retained.</p>
Evidence of public reserve status or relevant interests	Land is described as Public Reserve on Deposited Plan 733448
Proposal Amendments	<p>Reclassify the subject land from Community to Operational Land (LEP Schedule 4 Pt 2)</p> <p>Rezone the land from RE1 Public Recreation to RE2 Private Recreation.</p>
Reason for Amendments	To rationalise use of land by adjoining club either via sale or long-term lease.
Current Use of the Land	The land is currently licenced and maintained by the Wallarah Bay Recreation Club
Future Use of Funds	If the land is sold net funds from the sale of the land will be directed towards Council's operational budget with the proceeds of any asset sales that were originally purchased using restricted funds to be returned to restricted funds.

Address of Property	18 Dane Drive, Gosford NSW 2250
Lot & Deposited Plan No.	Lot 2 DP1011876
Lot Size	6331m2
Description	Gosford City Bowling Club
Acquisition Details	Erina Shire Council purchased the land in 1936 at a cost of 175 Pounds from the Railway Department. The land was described as being alongside "alongside waterside park" and it was proposed to build a municipal bowling green and tennis courts on the site.
Current Zoning	RE1 Public Recreation
Proposed Zoning	RE1 Public Recreation - No change to zoning
Current Classification	Community

Proposed Classification	Operational
Classification History	The land was not included in the operational land schedule as part of the Gosford City Council Local Government Act 1993 classification of Land. Land was acquired for a public purpose and such the land is subject to a Public Trust which should be extinguished via the reclassification process.
Trusts & Interests in the Land	Land was acquired for a public purpose and is subject to a Public Trust which should be extinguished via the reclassification process.
Proposal Amendment	Reclassify the subject land from Community to Operational Land (State Environmental Planning Policy (Precincts Regional) 2021)
Reason for Reclassification	<p>Gosford City Bowling Club is proposed to be reclassified to Operational Land and retained in Council ownership. The site is leased to the Central Coast Leagues Club and the Gosford Bowling Club is provided access to the site by the Leagues Club. The lease to the Central Coast Leagues Club expires in December 2024.</p> <p>At the Ordinary Council Meeting of 23 March 2021, Council resolved to adopt the Stadium Implementation Plan and make it available on Council's website. A key component of the Implementation plan is to develop a precinct masterplan for the stadium and 18 Dane Drive, Gosford.</p> <p>A further report to Council was prepared for the 27 April 2021 Council Meeting seeking a resolution to rezone and reclassify 18 Dane Drive, Gosford to Operational Land to enable greater opportunities defined in the Stadium Implementation Plan. This matter was deferred to allow for community consultation. Community consultation was undertaken between 30 April and 21 May 2021, the key findings from the community's submission included:</p> <ul style="list-style-type: none"> • Consideration of user groups who may be affected; • Stadium management rights could be provided to another party; • support for the rezoning and reclassification process to stimulate the Stadium • request for more music concerts being held at the Stadium. <p>At the 22 March 2022 Ordinary Council Meeting, a further report was brought to Council on the submissions and outcomes following the public exhibition of the Central Coast Stadium- Rezoning and Reclassification proposal. Council resolved <i>"That Council commence the rezoning and reclassification process for Lot 2, DP 1011876 which will allow greater Masterplan outcomes"</i></p> <p>Council is not proposing to rezone, sell or change the current lease conditions on the site with Central Coast Leagues club.</p>

Property Information	
Address of Property	50W Parraweena Road, Gwandalan
Lot & Deposited Plan No.	Lot 1 DP1043151
Lot Size	5456m ²
Description	<p>Vacant land</p> 
Acquisition Details	<p>Land was acquired for a public purpose following the subdivision of Lot 1 DP 740701. Lot 1 DP 1043151 was dedicated as a road landscape buffer in 2005 for a previous industrial subdivision and following road widening affecting Council owned Lot 1 DP 740701. Lot 1 DP 740701 was previously dedicated to Council at no cost as part of the 4 lot subdivision of the private land known as Lot 2 DP 588206 in 1987. Owners of Lot 2 DP 588206 were Cam and Sons Pty Ltd.</p>
Current Zoning	E1 Local Centre

Proposed Zoning	E1 Local Centre -No change to zoning
Current Classification	Community
Proposed Classification	Operational
Classification History	<p>Land reclassified in 2013 to operational land under Schedule 4 Part 1 of WLEP 2013. In error the site was not reclassified under Schedule 4 Part 2 to discharge the public trust as intended.</p> <p>At the Ordinary Meeting of Council held on the 26 October 2021 it was also resolved to reclassify Lot 1 DP 1043151 from operational land to community land and that Council consider a further report on the reclassification of land from community land to operational land under stage 2 of the reclassification.</p>
Trusts & Interests in the Land	Land was acquired for a public purpose and is subject to a Public Trust which should be extinguished via the reclassification process.
Proposal Amendment	Reclassify the subject land from Community to Operational Land (LEP Schedule 4 Pt 2)
Reason for Reclassification	The reclassification of the long narrow strip of land east of Kanangra Road at Gwandalan is recommended as it will allow the land to be available to deliver the proposed outcomes of the Gwandalan Centre.

Property Information	
Address of Property	20 Summerland Road, Summerland Point NSW 2259
Lot & Deposited Plan No.	Lot 4 DP 263812 (Part)
Lot Size	9500m2
Description	<p>Summerland Point Sporties</p> 
Acquisition Details	Lot 4 DP 263812 was transferred to Council at no cost as part of the subdivision of Lot 102 DP 592126. The new plan for Lot 4 DP 263812 was registered on 30 December 1982 and the certificate of title vested in Council on 24 January 1983.
Current Zoning	RE1 Public Recreation
Proposed Zoning	RE1 Public Recreation - No change to zoning
Current Classification	Community

Proposed Classification	Operational
Classification History	Land was not included in the operational land schedule as part of the Wyong Shire Council Local Government Act 1993 classification of Land or the 2013 Wyong LEP Schedule 4 Classification and reclassification of public land. Land was acquired for a public purpose and for a nominal sum in lieu of contributions. As such the land is subject to a Public Trust which should be extinguished via the reclassification process.
Trusts & Interests in the Land	<p>Land was acquired for a public purpose and is subject to a Public Trust which should be extinguished via the reclassification process.</p> <p>Lot 4 in DP 263812 is notated as a Public Reserve on deposited plan 263812.</p> <p>There is caveat on the certificate of title for Lot 4 in DP 263812 from the Registrar General forbidding "the registration of any title upon which this caveat is entered of an instrument not authorised by the provisions of the Local Government Act 19191, relating to public reserves."</p>
Proposal Amendment	Reclassify the subject land from Community to Operational Land (LEP Schedule 4 Pt 2)
Reason for Reclassification	The reclassification of the land occupied by Sporties at Summerland Point is recommended as it is intended that the land should be offered to the owner of Sporties (being Doyalson-Wyee RSL Club) on a long-term operational lease on suitable commercial terms, providing an ongoing funding stream for other Council recreational services at the same time as recreational facilities on-site experience substantial upgrade and modernisation.
Future Use of Funds	The site is not proposed to be sold; it will be offered on a long-term lease to the owner of Sporties.

Appendix D Reclassification Checklist (Practice Note PN 16-001)

The current and proposed classification of the land?

All parcels of land are currently classified as 'Community Land' under the *Local Government Act 1993*. It is proposed to reclassify the site to 'Operational Land' under the *Local Government Act 1993*.

Whether the land is a 'public reserve' (as defined in the *Local Government Act 1993*)

Some land parcels are defined as a 'public reserve' in the *Local Government Act 1993* as detailed in Appendix B – Assessment of Land to be Reclassified.

The strategic and site-specific merits of the reclassification and evidence to support this

Addressed throughout the Planning Proposal.

Whether the planning proposal the result of a strategic study or report

This information can be found in Appendix B – Assessment of Land to be Reclassified.

Whether the planning proposal is consistent with Council's Community Plan or other local strategic plan?

Addressed under Part 3 Section B – Relationship to Strategic Planning Framework

A summary of Council's interests in the land including how and when the land was first acquired, if Council does not own the land, the owner's consent and the nature of any trusts, etc

This information is discussed in Appendix B – Assessment of Land to be Reclassified and Appendix C – Proposed Changes to Interests. Council owns all land parcels proposed to be reclassified

Whether an interest in land proposed to be discharged, and if so, an explanation of the reasons why

Addressed in Appendix C – Proposed Changes to Interests.

The effect of the reclassification

This information is discussed in Appendix B – Assessment of Land to be Reclassified.

Evidence of public reserve status or relevant interest or lack thereof applying to the land (e.g. electronic title searches, notice in Government Gazette, trust documents)

This information is discussed in Appendix B – Assessment of Land to be Reclassified.

Current use(s) of the land, and whether uses are authorised or unauthorised.

This information is discussed in Appendix B – Assessment of Land to be Reclassified.

Current or proposed lease or agreements applying to the land, together with their duration, terms and controls

This information is discussed in Appendix B – Assessment of Land to be Reclassified.

Current or proposed business dealings (e.g. agreement for the sale or lease of the land, the basic details of any such agreement and if relevant, when Council intends to realise its asset, either immediately after reclassification or at a later time)

This information is discussed in Appendix B – Assessment of Land to be Reclassified.

Any rezoning associated with the reclassification

As required by the Gateway Determination, the Planning Proposal also includes the rezoning of four lots (at three sites) from RE1 Public Recreation to RE2 Private Recreation. No further changes to rezonings, zone boundaries or development standards are proposed. Should a proposed future use of the land be proposed that was not permitted within the land use zones, detailed environmental assessment would be undertaken at that time to inform any future determination on whether to rezone the land. Further information can be found in Appendix C – Proposed Changes to Interests.

How Council may or will benefit financially, and how these funds will be used

Financial benefit could arise if any of the land parcels were sold to another party. The financial outcome would be dependent on the price achieved from the eventual sale of the land.

How Council will ensure funds remain available to fund proposed open space sites or improvements referred to in justifying the reclassification, if relevant

This Planning Proposal does not commit funds to proposed open space or specific improvements.

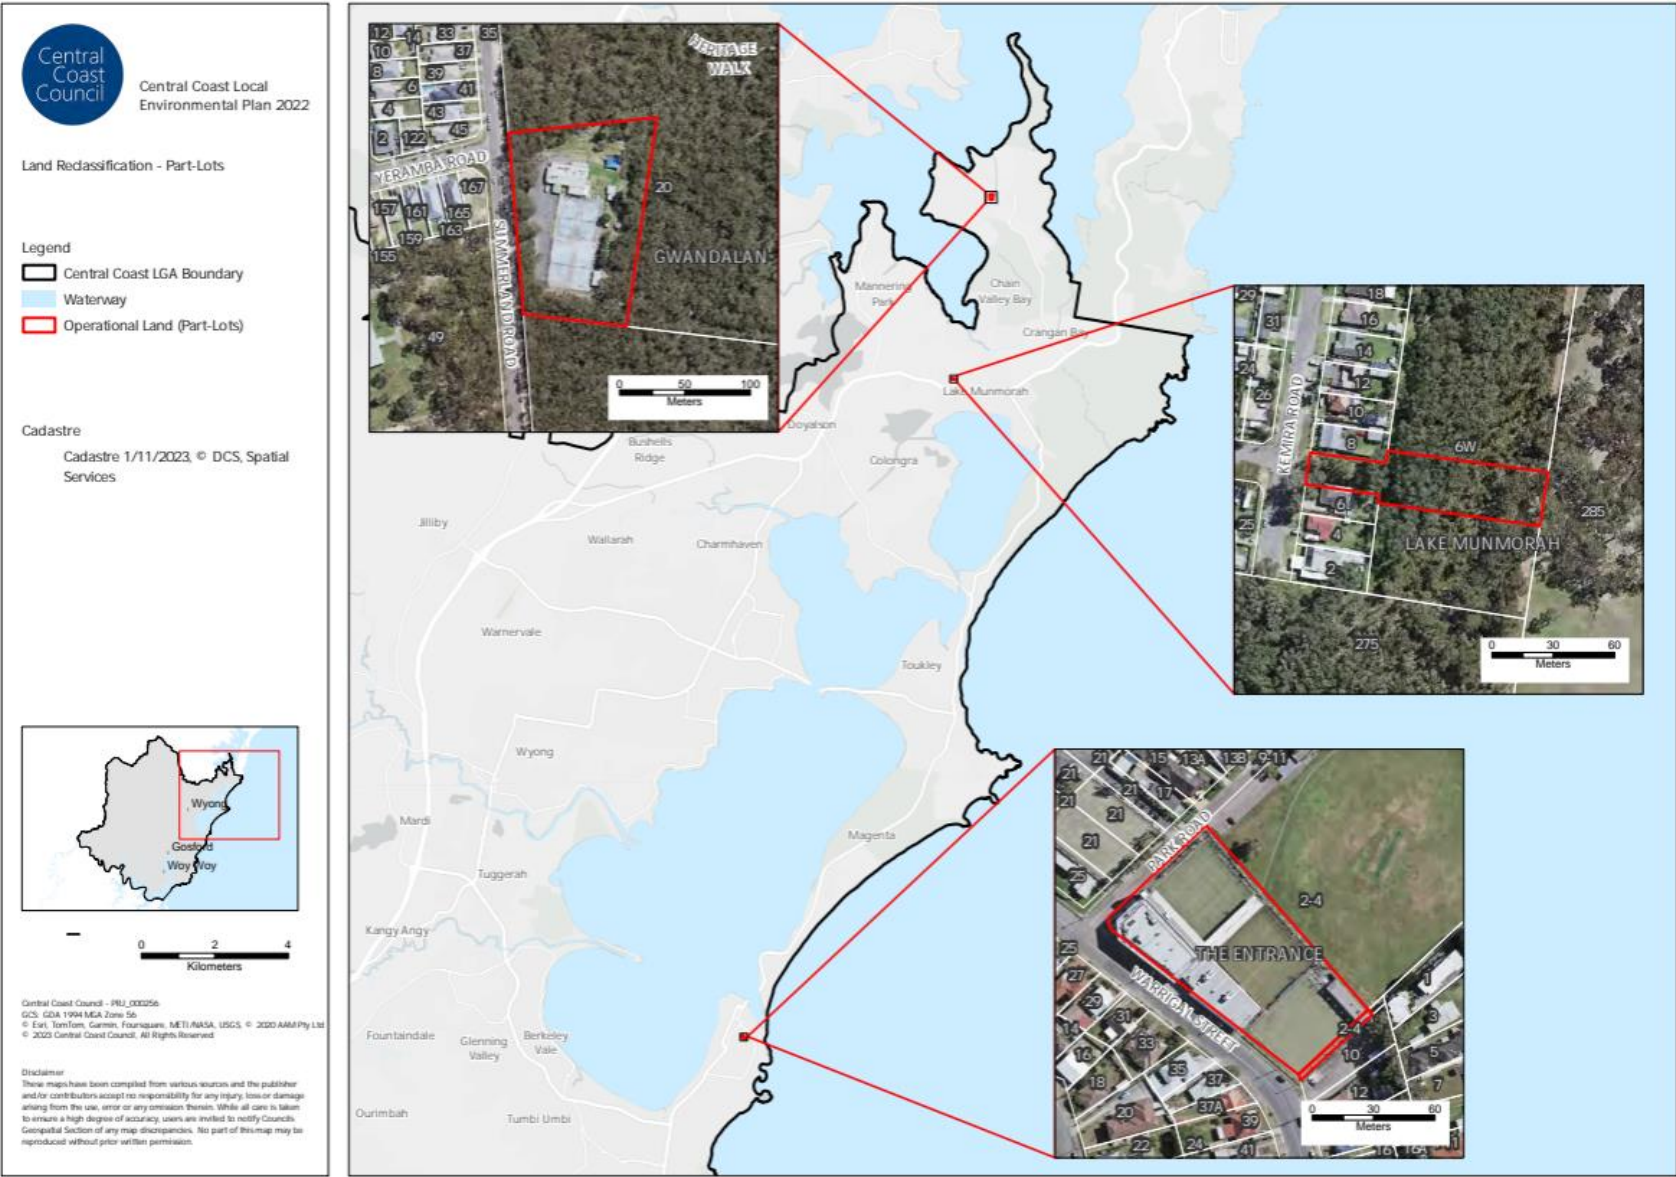

A Land Reclassification (part lots) Map, in accordance with any standard technical requirements for spatial datasets and maps, if land to be reclassified does not apply to the whole lot

This information is included in Appendix E – Land Reclassification (part lots) Map

Preliminary comments by a relevant government agency, including an agency that dedicate the land to Council, if applicable

The land is owned by Council. No formal consultation with State or Commonwealth public authorities has been undertaken at this stage nor is proposed. However, consultation will be undertaken with State agencies in accordance with the Gateway Determination, if required.

Appendix F Assessment against Ministerial Directions

Planning Systems	Comments
1.1 Implementation of Regional Plans	
<p>1. <i>Planning proposals must be consistent with a Regional Plan released by the Minister for Planning and Public Spaces.</i></p>	<p>Applicable</p> <p>The Proposal is consistent with this direction.</p>
1.2 Development of Aboriginal Land Council Land	
<p>1. <i>When preparing a planning proposal to which this direction applies, the planning proposal authority must take into account:</i></p> <p>(a) <i>any applicable development delivery plan made under the chapter 3 of the State Environmental Planning Policy (Planning Systems) 2021; or</i></p> <p>(b) <i>if no applicable development delivery plan has been published, the interim development delivery plan published on the Department’s website on the making of this direction.</i></p>	<p>Not Applicable</p> <p>The Proposal is consistent with this direction.</p>
1.3 Approval and Referral Requirements	
<p>1. <i>A planning proposal to which this direction applies must:</i></p> <p>(a) <i>minimise the inclusion of provisions that require the concurrence, consultation or referral of development applications to a Minister or public authority, and</i></p> <p>(b) <i>not contain provisions requiring concurrence, consultation or referral of a Minister or public authority unless the relevant planning authority has obtained the approval of:</i></p> <p style="margin-left: 20px;"><i>i. the appropriate Minister or public authority, and</i></p> <p style="margin-left: 20px;"><i>ii. the Planning Secretary (or an officer of the Department nominated by the Secretary), prior to undertaking community consultation in satisfaction of Schedule 1 to the EP&A Act, and</i></p> <p>(c) <i>not identify development as designated development unless the relevant planning authority:</i></p> <p style="margin-left: 20px;"><i>i. can satisfy the Planning Secretary (or an officer of the Department nominated by the Secretary) that the class of development is likely to have a significant impact on the environment, and</i></p> <p style="margin-left: 20px;"><i>ii. has obtained the approval of the Planning Secretary (or an officer of the Department nominated by the Secretary) prior to undertaking community consultation in satisfaction of Schedule 1 to the EP&A Act.</i></p>	<p>Applicable</p> <p>The Proposal is consistent with this direction.</p>
1.4 Site Specific Provisions	
<p>1. <i>A planning proposal that will amend another environmental planning instrument in order to allow particular development to be carried out must either:</i></p> <p>(a) <i>allow that land use to be carried out in the zone the land is situated on, or</i></p>	<p>Not Applicable</p> <p>The Proposal is consistent with this direction.</p>

Planning Systems	Comments
<p>(b) <i>rezone the site to an existing zone already in the environmental planning instrument that allows that land use without imposing any development standards or requirements in addition to those already contained in that zone, or</i></p> <p>(c) <i>allow that land use on the relevant land without imposing any development standards or requirements in addition to those already contained in the principal environmental planning instrument being amended.</i></p> <p>2. <i>A planning proposal must not contain or refer to drawings that show details of the proposed development.</i></p>	
1.5 Parramatta Road Corridor Urban Transformation Strategy	
<p>1. <i>A planning proposal that applies to land in the nominated local government areas within the Parramatta Road Corridor must:</i></p> <p>(a) <i>give effect to the objectives of this direction,</i></p> <p>(b) <i>be consistent with the Strategic Actions within the Parramatta Road Corridor Urban Transformation Strategy (November, 2016),</i></p> <p>(c) <i>be consistent with the Parramatta Road Corridor Planning and Design Guidelines (November, 2016) and particularly the requirements set out in Section 3 Corridor-wide Guidelines and the relevant Precinct Guidelines,</i></p> <p>(d) <i>be consistent with the staging and other identified thresholds for land use change identified in the Parramatta Road Corridor Implementation Plan 2016 – 2023 (November, 2016), and the Parramatta Road Corridor Urban Transformation Implementation Update 2021, as applicable,</i></p> <p>(e) <i>contain a requirement that development is not permitted until land is adequately serviced (or arrangements satisfactory to the relevant planning authority, or other appropriate authority, have been made to service it) consistent with the Parramatta Road Corridor Implementation Plan 2016 – 2023 (November, 2016),</i></p> <p>(f) <i>be consistent with the relevant District Plan.</i></p>	<p>Not Applicable</p> <p>This Direction does not apply to the Central Coast Local Government Area (or former Wyong or Gosford LGAs).</p>
1.6 Implementation of North West Priority Growth Area Land Use and Infrastructure Implementation Plan	
<p>1. <i>Planning proposals to which this direction applies shall be consistent with the North West Priority Growth Area Land Use and Infrastructure Strategy.</i></p>	<p>Not Applicable</p> <p>This Direction does not apply to the Central Coast Local Government Area (or former Wyong or Gosford LGAs).</p>
1.7 Implementation of Greater Parramatta Priority Growth Area Interim Land Use and Infrastructure Implementation Plan	
<p>1. <i>Planning proposals shall be consistent with the interim Plan published in July 2017.</i></p>	<p>Not Applicable</p> <p>This Direction does not apply to the Central Coast Local Government</p>

1.8 Implementation of Wilton Priority Growth Area Interim Land Use and Infrastructure Implementation Plan	
<p>1. A planning proposal is to be consistent with the Interim Land Use and Infrastructure Implementation Plan and Background Analysis, approved by the Minister for Planning and Public Spaces and as published on 5 August 2017 on the website of the Department of Planning, Industry and Environment (Implementation Plan).</p>	<p>Not Applicable</p> <p>This Direction does not apply to the Central Coast Local Government Area (or former Wyong or Gosford LGAs).</p>
1.9 Implementation of Glenfield to Macarthur Urban Renewal Corridor	
<p>1. A planning proposal is to be consistent with the precinct plans approved by the Minister for Planning and Public Spaces and published on the Department's website on 22 December 2017.</p>	<p>Not Applicable</p> <p>This Direction does not apply to the Central Coast Local Government Area (or former Wyong or Gosford LGAs).</p>
1.10 Implementation of Western Sydney Aerotropolis Interim Land Use and Infrastructure Implementation Plan	
<p>1. A planning proposal is to be consistent with the Western Sydney Aerotropolis Plan approved by the Minister for Planning and Public Spaces and as published on 10 September 2020 on the website of the Department of Planning, Industry and Environment.</p>	<p>Not Applicable</p> <p>This Direction does not apply to the Central Coast Local Government Area (or former Wyong or Gosford LGAs).</p>
1.11 Implementation of Bayside West Precincts 2036 Plan	
<p>1. A planning proposal authority must ensure that a planning proposal is consistent with the Bayside West Precincts 2036 Plan, approved by the Minister for Planning and Public Spaces and published on the Department of Planning, Industry and Environment website in September 2018.</p>	<p>Not Applicable</p> <p>This Direction does not apply to the Central Coast Local Government Area (or former Wyong or Gosford LGAs).</p>
1.12 Implementation of Planning Principles for the Cooks Cove Precinct	
<p>1. A planning proposal authority must ensure that a planning proposal is consistent with the following principles:</p> <ul style="list-style-type: none"> (a) Enable the environmental repair of the site and provide for new recreation opportunities; (b) Not compromise future transport links (such as the South-East Mass Transit link identified in Future Transport 2056 and the Greater Sydney Region Plan) that will include the consideration of the preserved surface infrastructure corridor, noting constraints, including the Cooks River, geology, Sydney Airport and existing infrastructure will likely necessitate consideration of future sub-surface solutions and potential surface support uses; (c) Create a highly liveable community that provides choice for the needs of residents, workers and visitors to Cooks Cove; 	<p>Not Applicable</p> <p>This Direction does not apply to the Central Coast Local Government Area (or former Wyong or Gosford LGAs).</p>

Biodiversity & Conservation	Comments
3.1 Conservation Zones	
<p>1. A planning proposal must include provisions that facilitate the protection and conservation of environmentally sensitive areas.</p> <p>2. A planning proposal that applies to land within a conservation zone or land otherwise identified for environment conservation/protection purposes in a LEP must not reduce the conservation standards that apply to the land (including by modifying development standards that apply to the land). This requirement does not apply to a change to a development standard for minimum lot size for a dwelling in accordance with Direction 9.3 (2) of "Rural Lands".</p>	<p>Not Applicable</p> <p>The Proposal is consistent with this direction.</p>
3.2 Heritage Conservation	

Biodiversity & Conservation	Comments		
<p>1. A planning proposal must contain provisions that facilitate the conservation of:</p> <ul style="list-style-type: none"> (a) items, places, buildings, works, relics, moveable objects or precincts of environmental heritage significance to an area, in relation to the historical, scientific, cultural, social, archaeological, architectural, natural or aesthetic value of the item, area, object or place, identified in a study of the environmental heritage of the area, (b) Aboriginal objects or Aboriginal places that are protected under the National Parks and Wildlife Act 1974, and (c) Aboriginal areas, Aboriginal objects, Aboriginal places or landscapes identified by an Aboriginal heritage survey prepared by or on behalf of an Aboriginal Land Council, Aboriginal body or public authority and provided to the relevant planning authority, which identifies the area, object, place or landscape as being of heritage significance to Aboriginal culture and people. 	<p>Not Applicable</p> <p>The Proposal is consistent with this direction.</p>		
<p>3.3 Sydney Drinking Water Catchments</p>			
<p>1. A planning proposal must be prepared in accordance with the general principle that water quality within the Sydney drinking water catchment must be protected, and in accordance with the following specific principles:</p> <ul style="list-style-type: none"> (a) new development within the Sydney drinking water catchment must have a neutral or beneficial effect on water quality, and (b) future land use in the Sydney drinking water catchment should be matched to land and water capability, and (c) the ecological values of land within a Special Area that is: <ul style="list-style-type: none"> i. reserved as national park, nature reserve or state conservation area under the National Parks and Wildlife Act 1974, or ii. declared as a wilderness area under the Wilderness Act 1987, or iii. owned or under the care control and management of the Sydney Catchment Authority, should be maintained. <p>2. When preparing a planning proposal that applies to land within the Sydney drinking water catchment, the relevant planning authority must:</p> <ul style="list-style-type: none"> (a) ensure that the proposal is consistent with chapter 9 of the State Environmental Planning Policy (Biodiversity and Conservation) 2021, and (b) give consideration to the outcomes of the Strategic Land and Water Capability Assessment prepared by the Sydney Catchment Authority, and (c) zone land within the Special Areas owned or under the care control and management of Sydney Catchment Authority generally in accordance with the following: <table border="1" data-bbox="215 1960 858 2018" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 50%; text-align: center;">Land</td> <td style="width: 50%; text-align: center;">Zone under Standard Instrument (Local</td> </tr> </table>	Land	Zone under Standard Instrument (Local	<p>Not Applicable</p> <p>The Proposal is consistent with this direction.</p>

Transport & Infrastructure	Comments
5.1 Integrating Land Use & Transport	
<p>1. <i>A planning proposal must locate zones for urban purposes and include provisions that give effect to and are consistent with the aims, objectives and principles of:</i></p> <p>(a) <i>Improving Transport Choice – Guidelines for planning and development (DUAP 2001), and</i></p> <p>(b) <i>The Right Place for Business and Services – Planning Policy (DUAP 2001).</i></p>	<p>Applicable</p> <p>The Proposal is consistent with this direction.</p>
5.2 Reserving Land for Public Purposes	
<p>1. <i>A planning proposal must not create, alter or reduce existing zonings or reservations of land for public purposes without the approval of the relevant public authority and the Planning Secretary (or an officer of the Department nominated by the Secretary).</i></p> <p>2. <i>When a Minister or public authority requests a relevant planning authority to reserve land for a public purpose in a planning proposal and the land would be required to be acquired under Division 3 of Part 2 of the Land Acquisition (Just Terms Compensation) Act 1991, the relevant planning authority must:</i></p> <p>(a) <i>reserve the land in accordance with the request, and</i></p> <p>(b) <i>include the land in a zone appropriate to its intended future use or a zone advised by the Planning Secretary (or an officer of the Department nominated by the Secretary), and</i></p> <p>(c) <i>identify the relevant acquiring authority for the land.</i></p> <p>3. <i>When a Minister or public authority requests a relevant planning authority to include provisions in a planning proposal relating to the use of any land reserved for a public purpose before that land is acquired, the relevant planning authority must:</i></p> <p>(a) <i>include the requested provisions, or</i></p> <p>(b) <i>take such other action as advised by the Planning Secretary (or an officer of the Department nominated by the Secretary) with respect to the use of the land before it is acquired.</i></p> <p>4. <i>When a Minister or public authority requests a relevant planning authority to include provisions in a planning proposal to rezone and/or remove a reservation of any land that is reserved for public purposes because the land is no longer designated by that public authority for acquisition, the relevant planning authority must rezone and/or remove the relevant reservation in accordance with the request.</i></p>	<p>Applicable</p> <p>The Proposal is consistent with this direction.</p>
5.3 Development Near Regulated Airports and Defence Airfields	
<p>1. <i>In the preparation of a planning proposal that sets controls for development of land near a regulated airport, the relevant planning authority must:</i></p> <p>(a) <i>consult with the lessee/operator of that airport;</i></p> <p>(b) <i>take into consideration the operational airspace and any advice from the lessee/operator of that airport;</i></p>	<p>Not Applicable</p> <p>The Proposal is consistent with this direction.</p>

5.4 Shooting Ranges	
<p>1. <i>A planning proposal must not seek to rezone land adjacent to and/or adjoining an existing shooting range that has the effect of:</i></p> <p style="margin-left: 20px;"><i>(a) permitting more intensive land uses than those which are permitted under the existing zone; or</i></p> <p style="margin-left: 20px;"><i>(b) permitting land uses that are incompatible with the noise emitted by the existing shooting range.</i></p>	<p>Not Applicable</p> <p>The Proposal is consistent with this direction.</p>

Housing	Comments
6.1 Residential Zones	
<p>1. <i>A planning proposal must include provisions that encourage the provision of housing that will:</i></p> <p style="margin-left: 20px;"><i>(a) broaden the choice of building types and locations available in the housing market, and</i></p> <p style="margin-left: 20px;"><i>(b) make more efficient use of existing infrastructure and services, and</i></p> <p style="margin-left: 20px;"><i>(c) reduce the consumption of land for housing and associated urban development on the urban fringe, and</i></p> <p style="margin-left: 20px;"><i>(d) be of good design.</i></p> <p>2. <i>A planning proposal must, in relation to land to which this direction applies:</i></p> <p style="margin-left: 20px;"><i>(a) contain a requirement that residential development is not permitted until land is adequately serviced (or arrangements satisfactory to the council, or other appropriate authority, have been made to service it), and</i></p> <p style="margin-left: 20px;"><i>(b) not contain provisions which will reduce the permissible residential density of land.</i></p>	<p>Applicable</p> <p>The Proposal is consistent with this direction.</p>
6.2 Caravan Parks and Manufactured Home Estates	
<p>1. <i>In identifying suitable zones, locations and provisions for caravan parks in a planning proposal, the relevant planning authority must:</i></p> <p style="margin-left: 20px;"><i>(a) retain provisions that permit development for the purposes of a caravan park to be carried out on land, and</i></p> <p style="margin-left: 20px;"><i>(b) retain the zonings of existing caravan parks, or in the case of a new principal LEP zone the land in accordance with an appropriate zone under the Standard Instrument (Local Environmental Plans) Order 2006 that would facilitate the retention of the existing caravan park.</i></p> <p>2. <i>In identifying suitable zones, locations and provisions for manufactured home estates (MHEs) in a planning proposal, the relevant planning authority must:</i></p>	<p>Not Applicable</p> <p>The Proposal is consistent with this direction.</p>

Housing	Comments

Industry & Employment	Comments
7.1 Business & Industrial Zones	
<p>1. A planning proposal must:</p> <p>(a) give effect to the objectives of this direction,</p> <p>(b) retain the areas and locations of existing business and industrial zones,</p> <p>(c) not reduce the total potential floor space area for employment uses and related public services in business zones,</p> <p>(d) not reduce the total potential floor space area for industrial uses in industrial zones, and</p> <p>(e) ensure that proposed new employment areas are in accordance with a strategy that is approved by the Planning Secretary.</p>	<p>Applicable</p> <p>The Proposal is consistent with this direction.</p>
7.2 Reduction in non-hosted short-term rental accommodation period	
<p>1. The council must include provisions which give effect to the following principles in a planning proposal to which this direction applies:</p> <p>(a) non-hosted short term rental accommodation periods must not be reduced to be less than 90 days</p> <p>(b) the reasons for changing the non-hosted short-term rental accommodation period should be clearly articulated</p> <p>(c) there should be a sound evidence base for the proposed change, including evidence of the availability of short-term rental accommodation in the area (or parts of the area) in the 12 months preceding the proposal, relative to the amount of housing in the area, and trend data on the availability of short-term rental accommodation over the past 5 years.</p> <p>(d) the impact of reducing the non-hosted short-term rental accommodation period should be analysed and explained, including social and economic impacts for the community in general, and impacted property owners specifically.</p>	<p>Not Applicable</p> <p>The Proposal is consistent with this direction.</p>
7.3 Commercial and Retail Development along the Pacific Highway, North Coast	
<p>1. A planning proposal that applies to land located on “within town” segments of the Pacific Highway must provide that:</p>	<p>Not Applicable</p>

Industry & Employment	Comments
