

Leisure Centres and Pools Customer Satisfaction Survey 2024 results

Responses 611

Customer Satisfaction-Service 85%

Customer Satisfaction-Facility 90%

For Improvement

- Changing rooms cleaning
- Redevelop or provide a new larger facility in the north.

Our Response

We acknowledge that increased cleaning is needed to changing rooms, staff are reviewing cleaning practices to improve cleaning at all sites.

Council has identified that a new multipurpose aquatic facility is needed in the northern end of the coast to accommodate the growing population. A new facility is proposed within the Warnervale Area, currently high level master-planning for this site still ongoing to ensure appropriate infrastructure is in place to meet the future needs of the community.
