

Picnic Point Reserve

Engagement summary

Central Coast Council

Summary

We are preparing an upgrade to the current playspaces at Picnic Point Reserve to provide The Entrance with a district level playspace that captures the needs of our community.

The existing local playspace near the amenities within the reserve is no longer serviceable and will be consolidated into a single, larger play area incorporating the existing rope climbing unit to the north of the reserve. The new playspace will be designed and constructed in accordance with the Central Coast Council's Playspace Strategy and to meet current Australian Standards.

We provided options for members of the community to submit feedback via our online survey, or via email submissions between 21 June and 22 July, 2024.

How you connected

1,885 visits to the Your Voice Our Coast website

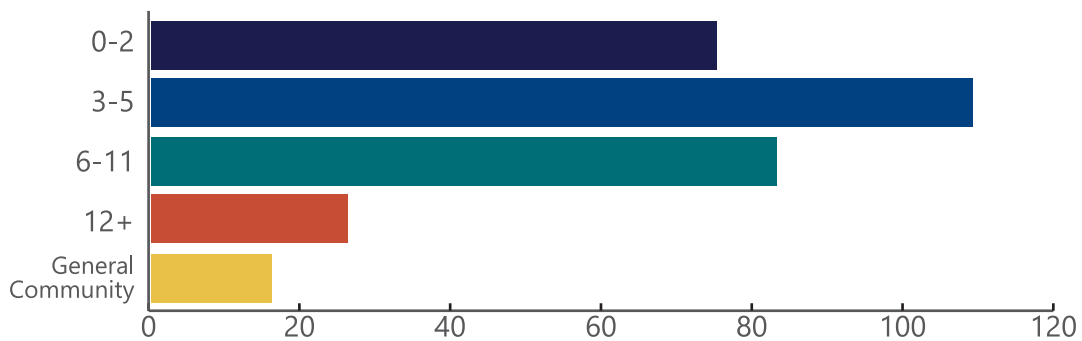

186 surveys completed - A total of **186** submissions received

Engagement results

186 people participated in the survey.

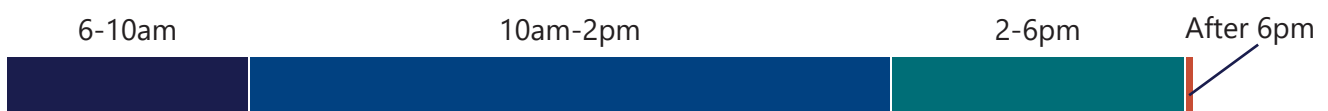

If you are a parent/caregiver, what is your child(ren)'s age group? OR, if you are the user, what is your age group? OR, are you a general community member?

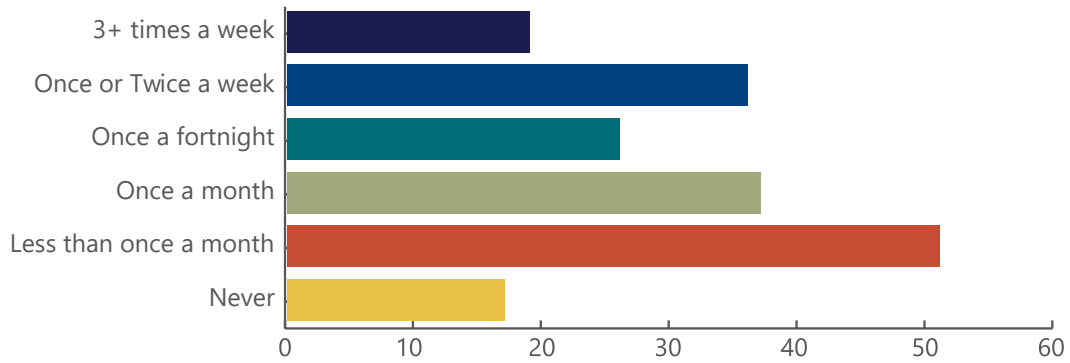

Does your child(s) have any special needs that could be catered for in the design and choice of equipment?

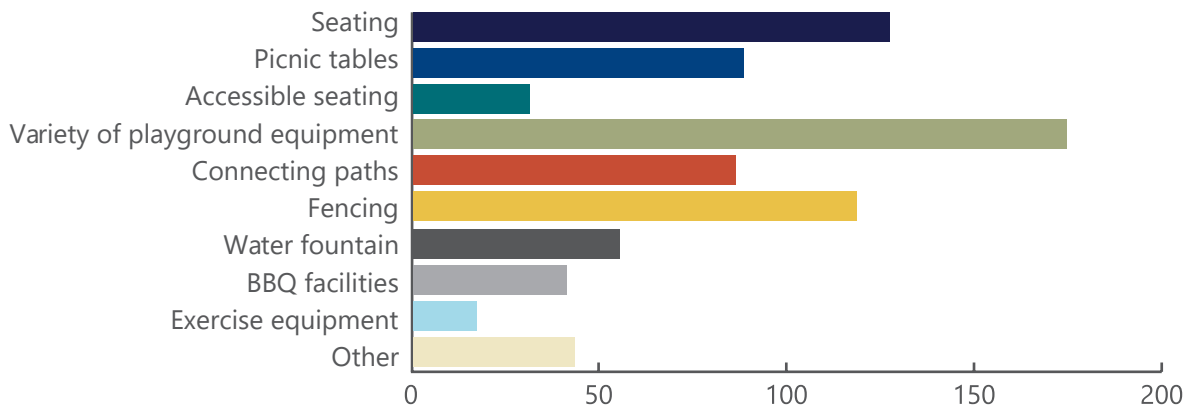

What time of day are you likely to visit the park?

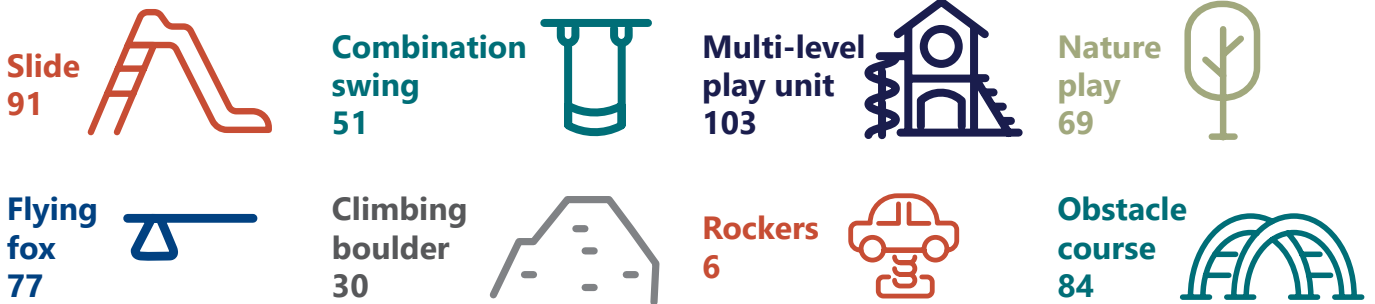

How often have you visited Picnic Point Reserve, The Entrance in the last year?

Which park features are important to you?

Which piece of equipment would you most like to see included in the playspace to complement the existing rope-climbing unit? Select up to three (3)

Other: 27

What theme would you like to see throughout the playspace e.g. pelican/marine-themed?

- Pelican
- Coastal/marine
- Aboriginal
- Pirate
- Ocean and sea theme

What's next?

We will communicate with you as we finalise the Picnic Point Reserve project.
